Subject(s)**Witnessed Verbal Informed Consent Job Aid (Referenced in FOM-802-1: Psychotropic Medications in Foster Care)**

Clarifications added to streamline process and provide better direction for the witnessed verbal consent process. Increased emphasis placed on caseworker responsibilities, preparation for the witnessed verbal consent phone call, and active role in assisting the process. Additional direction for rescheduling if provider cannot be present for meeting with the Foster Care Psychotropic Medication Oversight Unit (FC-PMOU).

Reason: Recommendations from the FC-PMOU and Child Welfare Medical Unit (CWMU) to improve witnessed verbal informed consent process.
